

Spotlight Kid - Another Day

Verse 1:

As the light
slips away
My mind is black
And I can't find the way

See the flame
Flash In The Night
Like a Maniac I pray

Chorus 2:

While you're so far away
There'll be another day
When you come back and stay, and I
Won't let you down again
I'm standing in the rain
And another lonely night fades to gray

Verse 2:

All the world
frozen white
Lady Of Ice
Where's my Lucky Star tonight

Hold me tight
Don't say a word
Loose my self-control, but hey

Chorus 2:

You're, oh, so far away
I'll never see the day
When you come back to me and stay
Don't break my heart again
Cause I can't stand the pain
It's losing game which I don't want to play

Chorus 3 (*as Chorus 1*)

Chorus 4 (*as Chorus 2*)
